

**VELNOIR**  
VN SERIES

VELNOIR has been developed to combine uniform thickness and maximum strength. Constructed with exceptional quality, VELNOIR is a black velvet material with a woven rayon base fabric and a high-pile nylon face. This style is presently available in Regular (without adhesive) only and is generally used on clamp wheels in a size 2" larger than the plate diameter.

**APPLICATION & BENEFITS**

- Generally used on clamp wheels in a size 2" larger than the plate diameter.
- May be applied to a lap of the same diameter using an adhesive disc like GRABBER (GRAB) from which it can be removed and replaced several times.
